11 Best Places To Visit On Easter Island

Easter Island, a small volcanic island in the middle of the Pacific Ocean, is world-famous for its giant ‘moai’ statues, which were built during the 13th – 16th centuries by the island’s inhabitants, the Rapa Nui people, in honor of their ancestors. The moai stood on stone platforms called ahus. All of the moai on the platforms were toppled by the Rapa Nui in the 1830s due to tribal wars and a loss of faith in their ancestors. During the late 1900s, moai at several sites were restored to their original platforms by locals and archaeologists. Here’s a list of the best Easter Island places to visit:

1. AHU TAHAI -
2. AHU AKIVI -
3. TE PITO KURA -
4. PUNA PAU -
5. HANGA KIO'E -
